BETWEEN

RSDC OF MICHIGAN, L.L.C.

AND

UAW LOCAL UNION 724

Section 1 - Purpose

This Agreement is made and entered into by and between RSDC of Michigan L.L.C., 1775 Holloway Drive, Holt, Michigan 48842, hereinafter referred to as the "Company" and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, and its Local Union, 724, hereinafter referred to as "Union".

1.1 Definition: The purpose of this Collective Bargaining Agreement (CBA) is to provide for a method for resolving disputes, provide representation of the Associates, and establish a working relationship between the Company and the Union.

1.2 Objective of Company: It is the objective of the Company to operate a cost-efficient facility, which provides outstanding service to its customers through the highest standards of quality, productivity, accuracy, and workmanship, as well as to ensure on-time delivery with an overriding commitment to the needs of its customers. The Company's commitment to excellence requires the active involvement of its Associates to create a safe work environment and to promote trust and concern for individual needs. To this end, the Union and Company and all of its Associates pledge their full cooperation to accomplish these goals.

Section 2 - Recognition

2.1 Definition: The Company recognizes the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, and its Local Union 724, as the exclusive bargaining representative for its full-time seniority Associates employed by the Company at its plant located at 1775 Holloway Drive, Holt, Michigan 48842, who are employed as production or maintenance Associates after they have been employed for a minimum period of ninety (90) calendar days, but excluding all clerical Associates, Managers, Supervisors and guards as defined by the Act, and all other Associates.

Whenever the term "Associate" appears in this Agreement, it shall apply to seniority Associates of the bargaining unit employed by the Company covered by this Agreement. Whenever the gender is used in this Agreement, it shall be deemed to include both male and female.

2.2 Associate Membership: The Parties recognize that the Michigan Legislature has passed a law with an effective date of March 27, 2013, which makes it unlawful for them to enter into an agreement requiring membership in the UAW as a condition of employment. Accordingly, as long as the law remains in effect, this Agreement does not require employees to become or remain members in the UAW as a condition of employment and section **2.2 (a) will not be enforceable. Instead,**

sections 2.2 (b) and 2.2 (c) will be in effect. In the event that the Michigan law prohibiting union security is repealed or rendered unenforceable by court decision, section 2.2 (a) will again become immediately enforceable.

(a) All present Associates who are members of the Union on the effective date of this Agreement, or on the date of the execution of this Agreement, whichever is the later, shall remain members of the Union, in so far as permitted by law, as a condition of continued employment. All present Associates who are not members of the Union and all Associates who are hired hereinafter the effective date of this Agreement shall become and remain members of the Union as a condition of employment, in so far as permitted by law, after they have been employed for a minimum period of ninety (90) calendar days following the beginning date of their employment.

(b) An employee who is a member of the UAW at the time this Agreement becomes effective shall continue to be eligible for membership in the UAW for the duration of this Agreement.

(c) An employee who is not a member of the UAW at the time this Agreement becomes effective may become a member of the UAW at any time after employment and remain a member of the UAW for the duration of this Agreement.

2.3 Dues Check-Off: The Company will check-off monthly dues assessment and initiation fees each month as designated by the Financial Secretary-Treasurer of the Union or Local Union 724, on the basis of individually signed check-off authorization cards on forms agreed to by the Company and the Union, in accordance with the Union's Constitution and By-Laws.

At the time of employment, upon request of the individual employee, the Company will obtain from each Associate a voluntary execution of an authorization for check-off of union dues, and other fees on the form that is agreed upon. A copy of such authorization card for the check-off of union dues shall be forwarded to the Financial Secretary-Treasurer of the Local Union along with the membership application of such Associate. New check-off authorization cards other than those provided for will be submitted to the Company through the Financial Secretary-Treasurer of the Local Union at intervals of not more frequently than once each month. On or after the last day of each month, the Company shall submit to the Union a summary list of cards transmitted each month.

Deductions on the basis of authorization cards submitted to the Company shall commence with respect to dues for the month in which such card becomes effective. Dues for a given month shall be deducted from the second (2nd) pay period. In cases of earnings insufficient to cover deductions of dues, the dues shall be deducted from the next pay in which there is sufficient earnings, or a double deduction may be made from the first pay of the following month, provided that the accumulation of dues shall be limited to two (2) months. The Financial Secretary-Treasurer of UAW Local 724 shall be provided with a list of those Associates for whom double deductions have been made. All sums deducted shall be transmitted to the Secretary-Treasurer of UAW Local 724 not later than one (1) week after such deduction is made.

UAW Local 724 will be notified of the reason for non-transmission of dues in case of layoff, discharge, resignation, leave of absence, sick leave, retirement, death, or insufficient earnings. Unless the Company is otherwise notified, the only Union membership dues to be deducted for payment to the Union from the pay of the

Associates who have furnished an authorization card shall be monthly union dues. The Company will deduct initiation fees when notified by notation on the list and assessments as designated by the Treasurer of Local 724. With respect to check-off authorization cards submitted directly to the Union, the Company will deduct initiation fees unless specifically requested not to do so by the Treasurer of Local 724 after such check-off authorization cards have become effective. The Financial Secretary-Treasurer of Local 724 shall be provided a list of those Associates for whom initiation fees had been deducted under this paragraph.

2.4 Voluntary Contributions: The Company agrees during the life of this Agreement to deduct from the pay of each Associate voluntary contributions to UAW - CAP, providing each Associate executes the appropriate authorization. The Company will deduct voluntary contributions from the fourth (4th) pay period of the month.

2.5 Union Indemnification: The Union shall save, hold harmless, and indemnify the Company against any and all claims, demands, lawsuits or any other form of liability that may arise out of or by reason of dues deduction or required union membership, or by an omission by the Company or Union.

The Company may, at its own expense, require an Associate to submit to a fitness for duty physical to verify the need for medical leave or restrictions.

In the event that the Company's physician and the Associate's physician disagree regarding the non-occupational physical condition of an Associate, both physicians or a neutral party shall select a specialist in the field of medicine in which the Associate's illness or injury exists and shall be bound by the opinion of the selected physician. The Company will give the Union no less than thirty (30) days' notice of the need for an alternative schedule and will meet with the Union to negotiate the terms and conditions of the work schedule. If the Company and Union cannot agree on the terms and conditions of the work schedule within thirty (30) days, the Company may implement a schedule after the thirty (30) period or thereafter. The schedule shall be distributed and published for all bargaining unit members. The schedule shall reflect starting and quitting times for each shift and designate regular days off. Whenever it becomes necessary to modify or delete any or all portions of the alternative work schedule, the Company shall provide a copy to the Union and Associates.

11.2 Selection of Regular Days Off: Associates shall be permitted to select regular days off that are designated by the alternative schedules on the basis of their qualification to perform the work identified on the schedule, and their seniority. Selection shall be limited to the specific designations provided in the work schedule.

11.3 Overtime Rates of Pay: Associates shall be paid at the rate of time and one-half (1 ½ X) for all hours worked in excess of forty (40) hours in a workweek, and double (2X) time for all hours worked on their seventh (7th) consecutive day of work.

11.4 Sunday Not a Premium Workday: Whenever this Section 11 of the Agreement is implemented, Section 18.1, regarding Sunday double time rate of pay, shall not be in effect, and Section 11.3 shall govern overtime rates of pay.

24/7 Work Schedule: The Company agrees to pay double time as follows: 1) for all hours worked on the seventh (7th) consecutive day in the workweek; 2) for all hours worked in excess of fifty-four (54) hours worked on the seventh (7th) consecutive day worked (Refer to Grievance 3600, Step 3 Revised for examples); and, for all hours required to work on an unscheduled Sunday (For example, A shift Associate works B shift Sunday). When an Associate is paid double time for any hours on a seventh (7th) day or a Sunday, a new seven (7) day period starts on the following day. Hours paid at double time shall not be included in the calculation of other overtime hours consistent with no pyramiding of overtime.

The fifty-four (54) hour requirement will be waived for Associates who are scheduled six (6) hours or more on a sixth (6th) or seventh (7th) consecutive day and who report to work but are sent home by their supervisor due to lack of work before completing at least six (6) scheduled hours.

A voluntary overtime sign up roster (VOSUR) shall be posted for Associates to sign up for overtime opportunities.

Section 12 - Grievance and Arbitration Procedure

12.1 Definition: A grievance is defined as an allegation by a seniority Associate or the Union that the Company has violated a specific Section of this Agreement.

12.2 Step Procedure: The following step procedure shall be used exclusively to process all grievances:

Step 1:

Not later than fifteen (15) working days after the event giving rise to the grievance, or when the Associate should have had knowledge of the event giving rise to the grievance, the Associate or committee person must orally discuss the dispute or complaint with his/her immediate Supervisor. The immediate Supervisor shall then orally respond to the Grievant or committee person not later than three (3) working days after the oral discussion.

Step 2:

If the grievance is not settled in Step 1, the committee person, not later than five (5) working days after the Company's oral response in Step 1, must submit a written grievance to the department General Supervisor or Manager. Grievances involving human resources issues may be initiated at this step and submitted to Human Resources not later than eight (8) working days after the event giving rise to the grievance, or when the Associate should have had knowledge of the event giving rise to the grievance. The designated General Supervisor or Human Resources representative shall then meet and confer with the Union committee person and/or Chairperson within five (5) working days of the receipt of the grievance and then render a written answer to the grievance within five (5) working days after such meeting is held to discuss the grievance.

Step 3:

If the grievance is not settled in Step 2, the Union, not later than five (5) working days after receipt of the Step 2 written answer, may file a written appeal of that answer to the Human Resources Manager, or designee(s). At a mutually agreeable time to the Union and Company, a meeting with representatives of the Company, and the Union committee person and/or Chairperson shall be scheduled to discuss the grievance within fourteen (14) calendar days of the Step 2 answer by the Company. The Human Resources Manager, or designee, shall render a written answer within eight (8) working days after the conclusion of such meeting called to discuss the grievance.

Step 4:

If the grievance is not settled in Step 3, the Union, not later than five (5) working days after receipt of the Step 3 answer, may file a written appeal of that answer to the Human Resources Manager, or designee(s). At a mutually agreeable time to the Union and Company, a meeting with representatives of the Company, the International Union representatives, and the Union committee shall be scheduled to discuss the grievance within thirty (30) calendar days of the Step 3 answer by the Company.

The Human Resources Manager, or designee, shall render a written answer within ten (10) working days after the conclusion of such meeting called to discuss the grievance. Such answer shall become final and binding upon the Associate, the Union, and the Company unless it is timely appealed to arbitration by the Union as set forth in the following Sections.

Mediation:

The Parties agree to mediate (FMCS) a grievance that has concluded Step 4. However, mediation shall only be for discharge but not including discharges related to attendance or substance abuse matters.

Both Parties agree mediation shall be for a period of four (4) hours or less. The request to mediate must be made by the moving party within five (5) calendar days in writing and shall serve to toll the time limits until the mediation process is complete.

12.3 Appeal to Arbitration: Any grievance as defined in Section 12.1 of this Section, that has been properly and timely processed through the grievance procedure set forth in this Section and that has not been settled at the conclusion thereof, may be appealed to arbitration by the Union serving the Company with written notice of its intent to appeal. The failure to appeal the grievance to arbitration in accordance with this Section within fifteen (15) working days after receipt of the last written answer of the Company in Step 4 of the Grievance Procedure as set forth in this Section, shall constitute a waiver of the Union's right to appeal to arbitration and the written answer of the Company at Step 4 of the Grievance Procedure shall be final and binding upon the aggrieved Associate, the Company and the Union.

12.4 Grievance Submission: Not later than ten (10) working days after the Union serves the Company with written notice of intent to appeal a grievance to arbitration, the Union shall submit such grievance to the American Arbitration Association (AAA). Thereafter, the Union and Company shall proceed in accordance with the policies, procedures, and practice requirements before the American Arbitration Association. The AAA shall provide a list of fifteen (15) Michigan based attorney arbitrators.

Not later than the commencement of an arbitration hearing, the Company and Union shall fully disclose to each other all relevant facts, evidence, witness(es), documents, photos, drawings, transcripts, depositions, recordings, or any other item that either may rely upon in the presentation of its case in arbitration. Failure to disclose such information shall not bar its admission in any arbitration proceeding but shall require an arbitrator to provide the receiving party sufficient time to prepare upon receipt of such information.

12.5 Appointment of Arbitrator: The jurisdiction and authority of an arbitrator appointed by the American Arbitration Association to hear grievances arising under this Agreement, shall confine their opinion and award exclusively to the interpretation and/or application of specific and express provisions of this Agreement at issue between the Company and Union. The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; to impose on either party a limitation or obligation not explicitly provided for in this Agreement; or to establish or alter any wage rate or wage structure or work group. The arbitrator shall not hear or decide more than one (1) grievance at a time without the mutual consent of the Company and Union. The written award of the arbitrator on the merits of any grievance adjudicated within their jurisdiction and authority shall be final and binding upon the aggrieved Associate, the Union and Company.

12.6 Fees and Expenses: The fees and expenses of the American Arbitration Association and the arbitrator shall be shared equally by the Company and Union; otherwise, each party shall bear its own arbitration expense for representation and witnesses.

12.7 Grievance/Answer Signatures: All grievances presented in writing shall set forth the facts giving rise to the grievance, the provisions of the agreement alleged to have been violated, the names of the aggrieved Associates, any protested Associate, and the remedy requested. All grievances shall be signed and dated by the aggrieved Associate or their Union committee person. All written answers submitted by the Company to the Union shall be signed and dated by an appropriate Company representative.

12.8 Discipline/Discharge Grievance: All grievances alleging unjust discipline or discharge shall be initiated at Step 2 of the Grievance Procedure within five (5) working days from the date of discipline or discharge. The Company shall immediately provide a copy of the notice of discipline or discharge to a Union committee person detailing the facts of the case. Any earnings from unemployment compensation, disability benefits, and workers' compensation benefits will be deducted from an award of back pay, if any.

12.9 Time Limits: The time limits set forth in these Sections are the essence of this Agreement. No grievance shall be accepted by the Company unless it is submitted or appealed within the time limits set forth in these Sections. If the grievance is not timely submitted, it shall be deemed to have been waived by the Union and Associate. If the Company fails to answer the grievance within the time limits as set forth in these Sections, the grievance shall automatically proceed to the next Step. However, the Parties may mutually agree to extend any time limit in this Section in writing. The time limits set forth in this Section shall not count Saturday, Sunday, or holidays.

12.10 Second Step Settlement: Grievances that are settled by the Committee and the Company shall be reduced to writing, signed by the committeeperson and a representative of the Company. This settlement shall be final and binding on both the Union and Company. However, such settlement shall not amend, alter, or modify any provision of this Agreement, and shall be without precedent.

12.11 Meetings: Company representatives and members of the committee shall meet monthly (second Friday of every month), or more frequently, at mutually agreeable times to discuss concerns, or items of a mutual interest. An agenda of items to be discussed at any meeting shall be provided by the Company and the Union to each other at least two (2) working days prior to the meeting date.

12.12 Grievance Reinstatement: The Parties acknowledge the desirability of ensuring prompt, fair, and final resolution of Employee grievances. The Parties also recognize that maintenance of a stable, effective, and dependable grievance procedure is necessary to implement the foregoing principle to which they both subscribe. Accordingly, the Parties view any attempt to reinstate a grievance properly disposed of as contrary to the purpose for which the grievance procedure was established and in violation of the fundamental principles of collective bargaining.

However, in those instances where the International Union, UAW, by either its Executive Board, Public Review Board, or Constitutional Convention Appeals Committee has reviewed the disposition of a grievance and found that such disposition was improperly effected by the Union or a Union representative involved, a member of the Executive Board of the International Union may inform the Company in writing that such grievance is reinstated in the Grievance Procedure at the step at which the original disposition of the grievance occurred.

It is agreed, however, that the Company will not be liable for any claims for damages, including back pay claims, arising out of the grievance that either are already barred under the provisions of the Collective Bargaining Agreement at the time of the reinstatement of the grievance or that relate to the period between the time of the original disposition and the time of the reinstatement as provided herein. It is further agreed that the reinstatement of any such grievance shall be conditioned upon the prior agreement of the Union and the Employee(s) involved that none of them will thereafter pursue such claims for damages against the Company in the Grievance Procedure, or in any court or before any Federal, State, or municipal agency.

Notwithstanding the foregoing, the decision of an Impartial Arbitrator on any grievance shall continue to be final and binding on the Union and its members, the Employee(s) involved, and the Company and such grievance shall not be subject to reinstatement.

The grievance reinstatement provision is not to be construed as modifying in any way either the rights or obligations of the Parties under the terms of the Collective Bargaining Agreement, except as specifically limited herein, and does not affect sections thereof that cancel financial liability or limit the payment or retroactivity of any claim, including claims for back wages, or that provide for the final and binding nature of any decisions by the Impartial Arbitrator or other grievance resolutions.

Section 13 - Hours of Work and Definitions

13.1 Purpose of Section: The sole purpose of this Section shall be to provide a basis for the computation of straight time, overtime, and other premium wages. 17.5 Pay Period: Payday for all Associates shall be on Thursday of each week for the pay period covering the preceding week, Monday through Sunday. In the instance that a payday should occur on a holiday, the payday shall be advanced so as not to interfere with distribution of pay, provided such advancement of payday is administratively possible.

Section 18 - Overtime

18.1 Definition of Overtime Rate of Pay: Time and one-half (1 ½ X) straight time rate of pay for hours worked in excess of forty (40) hours in a workweek; double (2X) the straight time rate of pay for hours worked on holidays and Sundays, except if the hours worked on a Sunday are the beginning hours of the regular workweek for a night shift work assignment. In determining overtime pay, all hours paid shall be used in calculating eligibility.

18.2 Definition of Overtime Work: Overtime work assignments shall be defined as hours of work in excess of forty (40) hours in any one workweek, or work performed on Sunday or a contractual holiday. The principle of equalization of overtime work hours within an EOH group shall be utilized in assigning overtime work.

18.3 Weekly Report of Overtime Hours: The Company shall establish and maintain an overtime hours system. A weekly report shall be issued for the previous overtime hours worked by Associates and shall be arranged in an order from the lowest hours to the highest hours, covering Monday through Sunday, arranged by Job Group and shift (Equalization of Hours "EOH" Group), and shall have a running total of overtime hours worked. This report will be issued on Tuesday by 3:00 p.m. weekly. (Overtime hours for 3rd shift will be issued by 3:00 a.m. on Tuesday). The Weekly Overtime Report (WOR) shall be posted on a bulletin board mutually agreeable to the Company and Union, nearest the time clock.

18.4 Equalization of Overtime: In the administration of equalization of overtime work assignments, the WOR shall be effective for the entire period that it is posted. The ranking of Associates by their overtime hours shall remain in that order for the entire workweek, Monday through Sunday. Overtime work assignments shall be made from the WOR.

18.5 Volunteer Sign-Up Roster: A volunteer sign-up roster (VOSUR) shall be maintained to permit production Associates to work overtime or holiday work opportunities. The roster will be posted in an area available to Associates. Associates must sign up for daily overtime - post shift and pre-shift on the next day - no later than two (2) hours prior to the end of the shift. Associates must sign to request weekend overtime assignments no later than 7:00 a.m. on Thursday. Associates who sign the roster must be available to work overtime assignments or will be subject to discipline under 29.3(6). When signing the roster, Associates will indicate their name, seniority date, work qualified to perform, regular assigned shift, whether they will work out of their EOH Group, and whether they will accept any assignment for which they are qualified.

24/7 Work Schedule: A volunteer sign-up roster (VOSUR) shall be maintained to permit Associates to work overtime or holiday work opportunities. Associates must sign up for post shift and next day overtime no later than two (2) hours prior to the end of the shift. When assigning overtime, the Company shall: 1) assign Associates from the VOSUR; 2) borrow from other job groups; 3) require the Associates with the lowest overtime hours to work the assignment. Associates may be required to work a maximum of twelve (12) hours overtime per work week, a maximum of six (6) hours on a scheduled day off and Wednesdays; and a maximum of two (2) days per workweek. An Associate cannot be forced to work a seventh (7th) consecutive day. Non-scheduled weekends will not be consecutive.

A maximum of four (4) non-scheduled weekends may be worked by up to one hundred percent (100%) of the staff. On such weekends, Associates may be required to work up to twelve (12) hours per day and there will be no required overtime during the week.

18.6 Weekday Overtime: The Company shall first assign Associates from the VOSUR who are at work. After exhausting the VOSUR, the Company shall then obtain its workforce by requiring the Associates with the lowest OT hour appearing on the WOR to work the assignment. An Associate who works an overtime assignment, Monday through Friday, shall only be required to perform four (4) hours of required overtime work during any one (1) weekday, Monday through Friday, for a total of eight (8) hours in any one (1) calendar workweek (up to four (4) hours per day, two (2) days per week); an associate may be required to work two (2) hours of overtime during any one weekday for a total of ten (10) hours per calendar workweek (voluntary meetings are excluded from overtime requirement). The eight (8) hours and ten (10) cannot be combined during the same workweek. If job groups have exhausted required overtime and no one from the group volunteers for an overtime assignment, the Company may require the Associate with the lowest hours in the appropriate EOH Group from the designated Group work the overtime assignment.

18.7 Weekend Overtime: The Company shall post Saturday and Sunday overtime work assignments not later than Thursday, 2:30 p.m. If the assignments are posted after 2:30 p.m., overtime will not be required. If a weekend is scheduled and then later cancelled by the Company, the weekend rotation is not reset. Whenever less than one hundred percent (100%) of a department is working a Saturday or Sunday, the Company shall first assign Associates from the VOSUR. In the event the Company has still not obtained its workforce through voluntary offers, it shall then require the Associates lowest in OT hours in the department scheduled to work the overtime work assignment on either Saturday or Sunday. Associates required to work Saturday or Sunday overtime assignments may be required to work up to eight (8) hours on each day, sixteen (16) hours total for any Saturday and Sunday in any calendar week.

18.8 Administering Overtime Hours: In administering the equalization of overtime hours, the following shall be observed:

- (a) Equalization of overtime hours between EOH Groups within a Job Group shall not exceed eighty (80) average hours between EOH Groups. This does not apply to Job Groups on regular weekend rotations.
- (b) Overtime hours shall be charged against an individual Associate's total overtime hours by adding an amount equal to the overtime work assignment whether accepted or rejected; regardless if the overtime work is on a weekday, Saturday, Sunday, or holiday. All occasions for which overtime is offered or required within an EOH Group, and under all circumstances, shall be charged against the total hours of the particular Associate and reported on the WOR. Associates within an EOH Group who do not sign the VOSUR to accept the overtime will be considered to have refused the overtime and will be charged if their hours are lower than the Associate with the highest hours who works the overtime.
- (c) Qualifications of a particular Associate to work any assignment on overtime shall be determined by the Company and Union. A report shall be rendered from time to time indicating qualifications for overtime work assignments for members of the bargaining unit. Such report shall be prepared jointly by the Company and Union and shall be utilized by the Company when making overtime assignments.
- (d) January 1st of each calendar year, the WOR shall have the hours of the lowest houred Associate in each EOH Group reduced to zero (0). All other Associates in the EOH Groups shall have their hours reduced by an equal amount to that of the lowest houred Associate.
- (e) Whenever overtime work assignments are in violation of this Section of this Agreement, the remedy shall be equalization of overtime work assignment hours, within fourteen (14) days from the date of notice of the agreed upon violation, or the appropriate Associate(s) shall be paid. Equalization of hours of the spread violation between shifts shall be within thirty (30) calendar days, or as soon as work permits.

The application of 18.8(e) remedy for overtime work assignment violations is as follows:

- 1) Overtime work offered as a remedy will be additional work above and beyond required overtime.
- 2) The remedy for weekend overtime violations may be weekend overtime and the remedy for weekday overtime violations will be weekday overtime. Weekday overtime remedies will not be offered at the end of the Associate's shift on Friday.
- 3) The Supervisor will review the overtime violation remedy with the appropriate Union representative and General Supervisor prior to scheduling the affected Associate(s).
- 4) The Company will make a reasonable effort to find a replacement OT date for the Associate(s) within fourteen (14) calendar days.

- (f) Assumption of Hours: Associates transferred or returning from leaves of absence of twenty-eight (28) calendar days or more, or when attaining seniority, shall assume the average hours of their EOH Group. Associates on leaves of absence of up to twenty-eight (28) calendar days will be charged with the hours they would have been offered had they been working.
- (g) When recording overtime opportunities worked, or offered, such records shall reflect the actual hours offered, meaning one and one half (1½) hours charged for each time and one-half hour opportunity and two (2) hours shall be charged for each double time overtime opportunity.

18.9 Utilization of Job Groups: Construe all other related provisions of the CBA to comply with the following: The following job groups shall be used for the purpose of voluntary overtime. However, it is understood that blanker line 24/7 overtime may be scheduled for independent (individual) blanker lines.
